FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
COUNSEL

2000 JUN 25 P 12:00

**AFFIDAVIT OF DARRELL W. GLASPER**

**BEFORE ME**, the undersigned Notary Public in and for the Parish and State aforesaid, personally came and appeared a person known and proven unto me to be Darrell W. Glasper, a competent adult of the full age of majority who, upon being sworn, did depose, attest, and state as follows, to wit:

1.

My name is Darrell W. Glasper, and I am a competent adult of the full age of majority. I am domiciled and living in the Parish of East Baton Rouge, State of Louisiana.

2.

In a recent sixth Congressional district special election to fill the vacancy left by the resignation of Richard Baker, I supported the candidacy of Mr. Michael Jackson.

3.

Mr. Michael Jackson was defeated in the primary election, and, as a result, Mr. Don Cazayoux was the appointed Democratic contender in the general election.

4.

I was disappointed with the lack of support which the National Democratic Party lent to Mr. Michael Jackson.

5.

As a result of my displeasure, I chose to effectively boycott the general election where Mr. Don Cazayoux was a contender.

6.

Further, and on my own initiative, I chose to employ a telephone bank for the purposes of voicing my displeasure with the Democratic party's lack of support for Mr. Jackson.

7.

I did engage such a telephone bank, and I did expressly authorized a message which summarized my displeasure with the National Democratic Party.

8.

The message which I authorized was thereafter sent telephonically to a number of households within the Sixth Congressional District.

9.

At a certain point thereafter, I chose to discontinue the calls.

10.

To be clear, the decision to place these phone calls was my own personal decision, and I did not act for or on behalf of any candidate in the general election.

11.

Further, my expenditures relative to this endeavor were less than one thousand dollars (\$1,000.00).

12.

I did not receive any contributions from anyone with regard to my endeavors with this telephonic communication.

13.

I did not operate any corporation or other entity in fulfillment of these calls.

14.

I specifically did not create an entity known as "Friends of Michael Jackson."

15.

I did not work in conjunction with or at the behest of Michael Jackson.

16.

The full and complete totality of my efforts were of my own personal volition.

17.

I have read the Response to the FEC Complaint which was drafted by my attorney, J. Christopher Alexander, Sr., Esq., and I fully agree with the statements which are made therein.

*Further Affiant Sayeth Not.*
